

Transporting Children - Policy

Coaches and managers will be responsible for children in their care when on the club premises or on arrival at opponents' cricket grounds.

It is not the responsibility of the coach or team manager to transport, or arrange to transport, the children to and from the club or match.

The club must receive permission from parents/carers for children to participate in all competitions and away fixtures/events.

Please collect your child promptly at the end of the training/match.

Coaches and managers give their time freely and have other commitments at the end of training/matches so need to be able to make sure that the children are collected safely and promptly.

If you are held up for some unavoidable reason. please let the Coach/Manager know as soon as possible and make alternative arrangements if possible.

If your child is going home with another parent, please ensure that the Manager/Coach knows at the beginning of the session. The Manager/Coach will not be able to let another child leave with someone else without prior knowledge.

Parents will have access to the designated person's telephone number to be able to contact them regarding transport and collection of your child.
